

UALL awards scheme 2009-2010

Applications now being accepted

The UALL Awards Scheme recognises and celebrates **projects, programmes and practices** that promote lifelong learning in the Higher Education Sector. The Scheme is open to all UALL members and the winner will be announced at the Spring 2010 Annual Conference.

There is a two stage application process. First, you are invited to submit a 300-500 word summary statement which outlines your project, programme or practice and identifies its main strengths and any unique features. Collaborative projects are welcomed.

The judging panel will then draw up a short list and request that an expanded application (500-750 words) be submitted. Submissions will be assessed on their innovation and creativity, sustainability, impact and transferability. All short listed applicants will be invited to present a poster session at the 2010 Annual Conference and the winner will receive a free place at the 2011 Annual Conference.
