

Effective Research Interview Practice

DATE: 7 March 2008, 10am to 3pm

VENUE

***The Iris Murdoch Centre
University of Stirling***

Keynote Speaker: Prof. Gert Biesta

This seminar is co-hosted by the Research Sub-Committee of SUALL (the Scottish Universities Association for Lifelong Learning) and ESCalate, the Higher Education Academy Subject Centre for Education.

AIM OF SEMINAR

- To identify the key elements of effective research interview technique
- To highlight good practice in:
 - Undertaking research interviews
 - Addressing the ethical issues arising from the collection of interview data and their use
- To bring together cross-sector researchers, practitioners to promote effective communication and joint-working.

WHO SHOULD ATTEND

This seminar should be of interest to practitioners, researchers, project staff, policy researchers and advisers and others with an interest in lifelong learning.

COST

There is no attendance cost, however places are limited and early booking is advised to secure a place.

A Buffet Lunch is included.
